Dear friends and sponsors,

Over the last year seeing children at Caminul Felix go to kindergarten or to school for the first time, seeing young people graduate high school or college, seeing them starting their own families has been such a joy for us.

We are at the beginning of a new year, new challenges and new blessings. The

year 2012 represents a great joy for us, as Caminul Felix

Villages Romania will celebrate the 20th Years

Anniversary. Twenty years ago the first family moved in and Caminul Felix

Village I came to life. With the partnership of many sponsors, friends, churches, businesses and service clubs Caminul Felix has grown, making it possible to fulfill the vision of “family” for nearly 300 children.

Latest reports

Felix Family Africa- Zimbabwe

Sixty children and their grandmothers are receiving support for food continuously. There is an enormous need in the area we are developing the Felix Village. Many hundreds of children are well cared for by grandmothers, but it is also true that the challenge on the elderly grandparents is very heavy. We pray and we work as we also seek to speed up the process of construction and an effective handling of our documents by the Masvingo city hall.
